

Office Policies, General Information, and Informed Consent for Treatment

CONFIDENTIALITY: All information disclosed within sessions and the written records pertaining to those sessions are confidential and may not be revealed to anyone without your written permission except where disclosure is required by law.

WHEN DISCLOSURE IS REQUIRED OR MAY BE REQUIRED BY LAW: Some of the circumstances where disclosure is required or may be required by law are: where there is a reasonable suspicion of child, dependent, or elder abuse or neglect; where a client presents a danger to self, to others, to property, or is gravely disabled; or when a client's family members communicate to Dr. Andreas DiMeo/Dr. Stephen Seetal that the client presents a danger to others. Disclosure may also be required pursuant to a legal proceeding by or against you. If you place your mental status at issue in litigation initiated by you, the defendant may have the right to obtain the psychotherapy records and/or testimony by Dr. Andreas DiMeo/Dr. Stephen Seetal. In couple and family therapy, or when different family members are seen individually, even over a period of time, confidentiality and privilege do not apply between the couple or among family members, unless otherwise agreed upon. Dr. Andreas DiMeo/Dr. Stephen Seetal will use clinical judgment when revealing such information. Dr. Andreas DiMeo/Dr. Stephen Seetal will not release records to any outside party unless authorized to do so by all adult parties who were part of the family therapy, couple therapy or other treatment that involved more than one adult client.

EMERGENCY: If there is an emergency during therapy, or in the future after termination, where Dr. Andreas DiMeo/Dr. Stephen Seetal becomes concerned about your personal safety, the possibility of you injuring someone else, or about you receiving proper psychiatric care, they will do whatever they can within the limits of the law, to prevent you from injuring yourself or others and to ensure that you receive the proper medical care. For this purpose, the contact the person whose name you have provided on the biographical sheet may also be contacted.

HEALTH INSURANCE & CONFIDENTIALITY OF RECORDS: Disclosure of confidential information may be required by your health insurance carrier or HMO/PPO/MCO/EAP in order to process the claims. If you so instruct Dr. Andreas DiMeo/Dr. Stephen Seetal, only the minimum necessary information will be communicated to the carrier. Dr. Andreas DiMeo/Dr. Stephen Seetal have no control over, or knowledge of, what insurance companies do with the information submitted or who has access to this information. You must be aware that submitting a mental health invoice for reimbursement carries a certain amount of risk to confidentiality, privacy or to future capacity to obtain health or life insurance or even a job. The risk stems from the fact that mental health information is likely to be entered into big insurance companies' computers and is likely to be reported to the National Medical Data Bank. Accessibility to companies' computers or to the National Medical Data Bank database is always in question as computers are inherently vulnerable to hacking and unauthorized access. Medical data has also been reported to have been legally accessed by law enforcement and other agencies, which also puts you in a vulnerable position.

LITIGATION LIMITATION: Due to the nature of the therapeutic process and the fact that it often involves making a full disclosure with regard to many matters which may be of a confidential nature, it is agreed that, should there be legal proceedings (such as, but not limited to divorce and custody disputes, injuries, lawsuits, etc.), neither you nor your attorney(s), nor anyone else acting on your behalf will call on Dr. Andreas DiMeo/Dr. Stephen Seetal to testify in court or at any other proceeding, nor will a disclosure of the psychotherapy records be requested unless otherwise agreed upon.

CONSULTATION: Dr. Andreas DiMeo/Dr. Stephen Seetal consult regularly with other professionals regarding clients; however, each client's identity remains completely anonymous and confidentiality is fully maintained.

E-MAILS, CELL PHONES, COMPUTERS, AND FAXES: It is very important to be aware that computers and e-mail communication can be relatively easily accessed by unauthorized people and hence can compromise the privacy and confidentiality of such communication. Faxes can easily be sent erroneously to the wrong address. E-mails, in particular, are vulnerable to unauthorized access due to the fact that Internet servers have unlimited and direct access to all e-mails that go through them. It is important that you be aware that e-mails, faxes, and important texts are part of the medical records. Additionally, Dr. Andreas DiMeo/Dr. Stephen Seetal's e-mails are not encrypted. Dr. Andreas DiMeo/Dr. Stephen Seetal's computers are equipped with a firewall, a virus protection, and a password and they also back up all confidential information from their computers on a regular basis. Please notify Dr. Andreas DiMeo/Dr. Stephen Seetal if you decide to avoid or limit in any way the use of any or all communication devices, such as e-mail, cell phone, or faxes. If you communicate confidential or private information via e-mail, Dr. Andreas DiMeo/Dr. Stephen Seetal will assume that you have made an informed decision, will view it as your agreement to take the risk that such communication may be intercepted, and will honor your desire to communicate on such matters via e-mail. Please do not use e-mail or faxes for emergencies.

RECORDS AND YOUR RIGHT TO REVIEW THEM: Both the law and the standards of Dr. Andreas DiMeo/Dr. Stephen Seetal's profession require that they keep treatment records for at least 7 years for an adult, or until a minor reaches the age of 25. Unless otherwise agreed to be necessary, Dr. Andreas DiMeo/Dr. Stephen Seetal retain clinical records only as long as is mandated by California state law. If you have concerns regarding the treatment records, please discuss them with Dr. Andreas DiMeo/Dr. Stephen Seetal. As a client, you have the right to review or receive a summary of your records at any time, except in limited legal or emergency circumstances or when Dr. Andreas DiMeo/Dr. Stephen Seetal assesses that releasing such information might be harmful in any way. In such a case, Dr. Andreas DiMeo/Dr. Stephen Seetal will provide the records to an appropriate and legitimate mental health professional of your choice. When more than one client is involved in treatment, such as in cases of couple and family therapy, Dr. Andreas DiMeo/Dr. Stephen Seetal will release records only with signed authorizations from all the adults (or all those who legally can authorize such a release) involved in the treatment.

Please notify Dr. Andreas DiMeo/Dr. Stephen Seetal if any problems arise during the course of therapy regarding your ability to make timely payments. Clients who carry insurance should remember that professional services are rendered and charged to the clients and not to the insurance companies. Unless agreed upon differently, Dr. Andreas DiMeo/Dr. Stephen Seetal will provide you with a copy of your receipt on a monthly basis, which you can then submit to your insurance company for reimbursement, if you so choose. As was indicated in the section, *Health Insurance & Confidentiality of Records*, you must be aware that submitting a mental health invoice for reimbursement carries a certain amount of risk. Not all issues/conditions/problems, which are dealt with in psychotherapy, are reimbursed by insurance companies. It is your responsibility to verify the specifics of your coverage. If your account is overdue (unpaid) and there is no written agreement on a payment plan, Dr. Andreas DiMeo/Dr. Stephen Seetal can use legal or other means (courts, collection agencies, etc.) to obtain payment.

MEDIATION & ARBITRATION: All disputes arising out of, or in relation to, this agreement to provide psychotherapy services shall first be referred to mediation, before, and as a pre-condition of, the initiation of arbitration. The mediator shall be a neutral third party chosen by agreement of Dr. Andreas DiMeo/Dr. Stephen Seetal and the client(s). The cost of such mediation, if any, shall be split equally, unless otherwise agreed upon. In the event that mediation is unsuccessful, any unresolved controversy related to this agreement should be submitted to and settled by binding arbitration in Los Angeles County, California in accordance with the rules of the American Arbitration Association which are in effect at the time the demand for arbitration is filed. Notwithstanding the foregoing, in the event that your account is overdue (unpaid) and there is no agreement on a payment plan, Dr. Andreas DiMeo/Dr. Stephen Seetal can use legal means (court, collection agency, etc.) to obtain payment. The prevailing party in arbitration or collection proceedings shall be entitled to recover a reasonable sum as and for attorney's fees. In the case of arbitration, the arbitrator will determine that sum.

THE PROCESS OF THERAPY/EVALUATION AND SCOPE OF PRACTICE: Participation in therapy can result in a number of benefits to you, including improving interpersonal relationships and resolution of the specific concerns that led you to seek therapy. Working toward these benefits, however, requires effort on your part. Psychotherapy requires your very active involvement, honesty, and openness in order to change your thoughts, feelings, and/or behavior. Dr. Andreas DiMeo/Dr. Stephen Seetal will ask for your feedback and views on your therapy, its progress, and other aspects of the therapy and will expect you to respond openly and honestly. Sometimes more than one approach can be helpful in dealing with a certain situation. During evaluation or therapy, remembering or talking about unpleasant events, feelings, or thoughts can result in you experiencing considerable discomfort or strong feelings of anger, sadness, worry, fear, etc., or experiencing anxiety, depression, insomnia, etc. Dr. Andreas DiMeo/Dr. Stephen Seetal may challenge some of your assumptions or perceptions or propose different ways of looking at, thinking about, or handling situations, which can cause you to feel very upset, angry, depressed, challenged, or disappointed. Attempting to resolve issues that brought you to therapy in the first place, such as personal or interpersonal relationships, may result in changes that were not originally intended. Psychotherapy may result in decisions about changing behaviors, employment, substance use, schooling, housing, or relationships. Sometimes a decision that is positive for one family member is viewed quite negatively by another family member. Change will sometimes be easy and swift, but more often it will be slow and even frustrating. There is no guarantee that psychotherapy will yield positive or intended results. During the course of therapy, Dr. Andreas DiMeo/Dr. Stephen Seetal is likely to draw on various psychological approaches according, in part, to the problem that is being treated and his/her

assessment of what will best benefit you. These approaches include, but are not limited to, behavioral, cognitive-behavioral, cognitive, psychodynamic, existential, system/family, developmental (adult, child, family), humanistic or psycho-educational. Dr. Andreas DiMeo/Dr. Stephen Seetal **provides neither custody evaluation recommendation** nor medication or prescription recommendation nor legal advice, as these activities do not fall within his scope of practice.

TREATMENT PLANS: Within a reasonable period of time after the initiation of treatment, Dr. Andreas DiMeo/Dr. Stephen Seetal will discuss with you his working understanding of the problem, treatment plan, therapeutic objectives, and his view of the possible outcomes of treatment. If you have any unanswered questions about any of the procedures used in the course of your therapy, their possible risks, Dr. Andreas DiMeo/Dr. Stephen Seetal's expertise in employing them, or about the treatment plan, please ask and you will be answered fully. You also have the right to ask about other treatments for your condition and their risks and benefits.

TERMINATION: As set forth above, after the first consultation, Dr. Andreas DiMeo/Dr. Stephen Seetal will assess if they can be of benefit to you. Dr. Andreas DiMeo/Dr. Stephen Seetal do not accept clients who, in their opinion, they cannot help. In such a case, they will give you a number of referrals whom you can contact. If at any point during psychotherapy, Dr. Andreas DiMeo/Dr. Stephen Seetal assesses that they are not effective in helping you reach the therapeutic goals or that you are non-compliant, they are obligated to discuss it with you and, if appropriate, to terminate treatment. In such a case, they would give you a number of referrals that may be of help to you. If you request it and authorize it in writing, Dr. Andreas DiMeo/Dr. Stephen Seetal will talk to the psychotherapist of your choice in order to help with the transition. If, at any time, you want another professional's opinion or wish to consult with another therapist, Dr. Andreas DiMeo/Dr. Stephen Seetal will assist you with referrals, and, if they have your written consent, they will provide her or him with the essential information needed. You have the right to terminate therapy at any time. If you choose to do so, and if appropriate, Dr. Andreas DiMeo/Dr. Stephen Seetal will offer to provide you with names of other qualified professionals.

DUAL RELATIONSHIPS: Despite a popular perception, not all dual or multiple relationships are unethical or avoidable. Therapy never involves sexual or any other dual relationship that impairs Dr. Andreas DiMeo/Dr. Stephen Seetal's objectivity, clinical judgment or can be exploitative in nature. Dr. Andreas DiMeo/Dr. Stephen Seetal will assess carefully before entering into non-sexual and non-exploitative dual relationships with clients. Dr. Andreas DiMeo/Dr. Stephen Seetal will never acknowledge working with anyone without his/her written permission. Many clients have chosen Dr. Andreas DiMeo/Dr. Stephen Seetal as their therapist because they knew him before they entered therapy with him, and/or are personally aware of his professional work and achievements. Nevertheless, Dr. Andreas DiMeo/Dr. Stephen Seetal will discuss with you the often-existing complexities, potential benefits and difficulties that may be involved in dual or multiple relationships.

CANCELLATION: Since the scheduling of an appointment involves the reservation of time specifically for you, a minimum of 24 hours notice is required for re-scheduling or canceling an appointment. Unless we reach a different agreement, the full fee will be charged for sessions missed without such notification. Most insurance companies do not reimburse for missed sessions.
